*Elegant and Stylish - an Edwardian Country House Wedding
Venue in East Sussex with Overnight Accommodation*

The Wedding Venue

Claverton House is an elegant, stylish wedding venue surrounded by secluded landscaped gardens and countryside. Although very accessible from the A21 it is approached from a country lane and so feels like a rural retreat.

This venue is the perfect setting for a country marquee wedding. Its large landscaped gardens, surrounded by informal areas with woodland walks, are a delightful setting for your wedding reception.

One of the many charming features of this venue is the bridge over the ornamental koi pool. Not only is this large enough for a party of guests to gather for their drinks reception but it is also an unusual spot for photographs.

Civil Ceremonies

Claverton House is applying for a Civil License for Wedding and Partnership Ceremonies in the Dining Room for up to 20 guests (tba). This is a warm, intimate room with a high quality sound system available for music for the ceremony.

A French door connects the Dining Room to the garden where a marquee can seat all your additional guests so that they can share the ceremony with you and your partner.

In addition, it is hoped that a Gazebo over the Koi pond will also be licensed (tba) which will offer a unique and romantic civil ceremony venue for "outdoor" summer wedding
